

Mountaintop Heritage Days
CRAFT SHOW and FIREWORKS DISPLAY
FORT RITCHIE, CASCADE, MD
SATURDAY & SUNDAY
JUNE 26 AND 27, 2010

Planning is well under way for the fifth annual **Mountaintop Heritage Days** craft show. The past four years, our craft show and fireworks have attracted crowds of over 8,000 people to the old parade grounds of the former Army base at Fort Ritchie, Maryland. With this year's expanded activities, we are hoping to make this the premier two day event of the area.

This year we will have a car show, live entertainment, kids games, and a civil war encampment. A parade and a 5k run for charity are also planned along with helicopter rides, canoes and paddle boats, and bus tours of the historical area. CHIP, a child identification program, is also attending. Many more crowd drawing events are in the planning stages, such as a steam engine display!

Our list of vendors is already at 110, so we are sure this will be a show that you will not want to miss! We have addressed many needs and requests of the vendors by centralizing all of the events to one location. *Driving on the field has also been approved for your convenience of loading and unloading your wears.* As always, our goal is to make your day memorable!

Our show will be held on Saturday from 10am to 7pm (because the fireworks do not start until 9pm, you have the option of staying open longer if you want to), and Sunday, from 12pm to 4pm.

We have budgeted and planned for increased advertising. Last year we had two weeks of continuous radio promotions and listed our event in 4 newspapers. This year we will do the same, as well as advertise on the internet. Our web site address is: www.onemountainfoundation.org, where vendor applications are also available.

We thank all vendors who have participated in our past four years of events. You have helped us make **Mountaintop Heritage Days** a great success. To date we have donated nearly \$20,000 to local organizations and families in need. Our pledge to you is that we will make every effort to continue to grow and improve our event, especially with your help. We also make every effort to respond to your needs and concerns so that **Mountaintop Heritage Days** will be a fun event for all and a profitable one for you, our vendors.

If you know of other vendors who may want to join us, please forward their information to us, or refer them to our web site. They may also call me for more information!

Thank-you, and hope to see you there!
