

7th ANNUAL MOUNTAINTOP HERITAGE DAYS Saturday & Sunday, June 30 and July 1, 2012

CRAFT VENDOR INFORMATION & APPLICATION

Planning is under way for the 7th **Annual Mountaintop Heritage Days**. The many activities conducted on both days and the Saturday evening fireworks have, over the past five years and depending on the weather conditions, attracted crowds of between 8,000 to 12,000 people to the parade grounds of the former Fort Ritchie Army base in Cascade, Maryland. This is the annual premier two-day event for the region.

Possible 2012 event activities on both days include live entertainment, children's activities and games, living history vignettes to celebrate the 150th Anniversary of the Civil War, a parade (Saturday), helicopter rides, boating on the lake, a car (Saturday) cruise-in, historical steam engines, and historical displays. And Saturday evening ends with a patriotic band program culminating in the first regional fireworks display for 2012. Sunday includes a Community Worship Program on the parade field.

This is an event that you will not want to miss! The craft area is centralized in one location near the Fort Ritchie Community Center, entertainment, and food vendors. The plan is to continue to shrink the area of all the activities to allow for shorter walking distance between activities. Expected craft vendor operating hours are:

- Saturday - from 10:00 a.m. to 7:00 p.m. with the option of staying open later, but not after the start of the fireworks at 9:00 p.m.
- Sunday – from 10:00 a.m. to 4:00 p.m.

The event will be advertised. The 2011 event had daily promotions on multiple local radio stations, multiple listings in five local newspapers, and listings on internet calendars and tourist bureaus in the tri-state area as well as air time on NBC25, the region's local television station. Plus up-to-date information is maintained on the One Mountain Foundation web site at www.onemountainfoundation.org.
