

one mountain *foundation*

In accordance with our mission of education and community, the One Mountain Foundation is working to establish a Museum of the Mountain at Fort Ritchie. The vision is for the Museum to become an historical and cultural center that is a vital force in the community. The museum will provide comprehensive history of the area from early Colonial times to present. It will include the military history of Fort Ritchie and the Ritchie Boys. In order for the Museum to become a reality we need the support of our community.
